

**NATIONAL CHOCOLATE MOUSSE DAY**  
4/3/2024

**Ingredients:**

- ◆ 6 oz good-quality bittersweet chocolate, chopped or broken into small pieces
- ◆ 1 1/2 cups heavy whipping cream
- ◆ 3 egg whites
- ◆ 2 Tbsp caster sugar (or granulated sugar)

**Preparation:**

1. Melt the chocolate in a microwave safe bowl. Stir to a smooth consistency and set aside.
2. Place the cream in a large chilled mixing bowl, and whisk on high until peaks form.
3. In a clean, stainless steel bowl, whisk the egg whites until soft peaks form, approximately 3-4 minutes if using a stand mixer. Add the sugar a tablespoon at a time, still whisking, until stiff peaks form, about 2 to 3 minutes more.
4. Whisk a quarter of the whipped cream into the chocolate, mixing vigorously.
5. Add half the egg whites to the chocolate mixture, folding gently, then add it all back with the rest of the egg whites and the rest of the whipped cream. Fold gently until it is thoroughly incorporated.
6. Place in 6 individual glasses or ramekins, or in a single serving dish, and chill for at least 4 hours.
7. Serve on its own, or top it with whipped cream, chocolate shavings, mint leaves, or berries as you prefer!

**OKLAHOMA!**

**Location: 2nd Floor Theater Room**  
**Time: 2:00 PM**

There's a box social coming up, and Curly (Gordon MacRae) asks Laurey (Shirley Jones) if she'll be his date. Trouble is, Laurey thinks he's waited too long, and in a fit of pique accepts an offer from the boorish Jud (Rod Steiger) instead. Meanwhile, Laurey's friend Ado Annie (Gloria Grahame) is also torn between two men: a cowboy named Will (Gene Nelson) and a foreign peddler, Ali Hakim (Eddie Albert). Both women struggle to know their own hearts before it's too late.

**RESIDENT OF THE MONTH**

**CHARLES SCHEXNAYDER**

My name is Charles Schexnayder known as Charlie. I was born and raised in Jeanerette. I received a degree in Chemistry from LSU in 1956. I was hired by Advisory Committee for Aeronautics located at one of their research centers at Langley Field located in Hampton, VA. I interned for 2 years learning to be a Aeronautical Engineer. I later changed to Aerospace Engineering. After 3 years, the NACA was merged with some other research centers to become NASA. After 25 years, I came back to Jeanerette to live. My hobbies are reading and working part-time at Jeanerette Museum. I like living at Garden View where the staff from housekeeping to office, cook to caregivers, ensure all my needs are met. There is always something going on to pass the time, thanks to the activity department. I should mention the residents that I have come to like and even met some from Jeanerette. Having lived alone for nearly 50 years, it is nice to be around people again. I like living a Garden View which is my new home now.
