Mable Alleman | 10/28

RESIDENT OF THE MONTH
Mable Alleman

Mable was born in Centerville, Louisiana on October 28, 1931. She spent her childhood in Baldwin, Louisiana with six brothers and sisters. Unfortunately, her mother died in childbirth when Mable was a young teenager and she had to pick up the responsibilities of helping to raise her five younger siblings while her older sister worked. In 1955, Mable met the love of her life, Murville Alleman and they built a happy and loving home in Franklin, Louisiana. They raised four healthy and active children whom all remain happily married, having a great example set by Mable and Murville. Her children have provided Mable with nine amazing grandchildren and three energetic and gifted great-grandchildren. This family has been a blessing and priority for Mable over the years. Her grandchildren still refer to her as Maw-Maw and they have fond memories of her famous buttermilk biscuits and Cajun cooking. After her husband Murville passed away at an early age of 49, Mable remained in Franklin and lived there for almost 70 years (until last year). Mable was well known in Franklin for her kindness, devotion to the church, and her selfless commitment to the community. For over 30 years she volunteered at the Franklin Nursing Home and was an active member of the Catholic Daughters and Altar Society. Mable loves all the new friendships she has made in the past year and truly appreciates the friendly and attentive staff here at Garden View. She loves to dance and loves music, so she feels particularly blessed when she can see local musicians and singers perform. She still loves great Cajun food, particularly Gumbo – so she is always looking forward to tasting award – winning Gumbo at Garden View.
