RESIDENT OF THE MONTH

Loretta Viator

I'm Loretta Viator, born on June 23, 1947, in Richmond, Virginia. I grew up in Elkins, West Virginia, and later moved to New Iberia with my twin sister, Lorena, in our 20s.

Family has always been at the core of my life. I was married to my husband, Roy, for 53 wonderful years, and we have two children: our daughter, Maria, and our son, Michael. Michael was born with Cerebral Palsy and mild developmental delays due to birth complications, but he has always been a source of joy and strength in our lives.

I spent much of my career as an Insurance Agent, a role that brought me immense satisfaction as I helped others. Outside of work, I loved gathering with friends for Pokeno nights and indulging in my passion for music. My favorite instruments were the keyboard and guitar, and I couldn't get enough of my musical idol, Elvis Presley.

Life hasn't been without its challenges. I now live with Lewy Body Dementia and schizophrenia, which bring with them symptoms like visual hallucinations, delusions, and muscle rigidity. While these conditions present daily struggles, they've also allowed me to find greater meaning in the small, beautiful moments that life offers.
