

Why shouldn't
you tell ducks
jokes on April
Fools' Day?

They'll quack up.

Easter

What Is The Meaning Of Easter?

A season for tulips and daffodils of yellow.
Eating jelly beans and eggs of marshmallow...
With artificial colors and intense sweetness.
A time to celebrate a life and completeness.

The importance of Easter is the resurrection.
A renewal of life that once felt disconnection.
A hope for forgiveness at a heavenly address...
Where sinners and chocolate bunnies are guests.
