

Ma Maw's "Muddled" Memories

The Game

I love Games. I love cartoons and toys and miniature items. I love dolls and comic books and yes, even paper dolls.

One day I was playing "Eye Spy" with a five year old girl it was her turn. She said, " I spy something yellow." SOMETHING YELLOW! I guessed the sofa, the flowers, the pillows, even the bow on the dusty plant. I guessed the chair. I guessed the curtains. I guessed her shoes, the rug, and her clothes. There was nothing left to guess, so finally I said, " I give up!" She looked at me, smiled with glee and snickered, "its your teeth!" "Its your teeth!" "Its your teeth!" Now, I really had a problem. How was I going to tell this little girl

I DID NOT WANT TO PLAY WITH HER ANYMORE?
