Office satire about three female secretaries who decide to get revenge on their tyrannical, sexist boss by abducting him and running the business themselves. The trio, one of whom has been passed over for promotion because she is a woman, spend a night together having drug-induced fantasies of killing the slave-driving chauvinist. One of them panics the following day when she suspects she really has poisoned the tyrant.

## RESIDENT OF THE MONTH

*Martha and Melvin Trahan*

Martha and Melvin's story began with their shared love of dancing. Watching them on the dance floor was always a joy. Married for 70 years, they raised two children, Lisa and Mark, and their family grew to include five grandchildren and six great-grandchildren. For the past 55 years, they have made their home in Carencro.

Melvin enjoyed a long career at Hub City Ford, retiring as fleet manager. An avid outdoorsman, he loved hunting, fishing, and tending to his large vegetable garden each year. He especially enjoyed sharing those passions with his son and grandchildren. Affectionately known as "Pap," he delighted in his grandchildren and great-grandchildren, always welcoming them with his famous fried chicken when they came to visit.

Martha spent many years working in banking before joining a local entrepreneur, where she prepared financial statements for several businesses. She is a talented cook who loved entertaining her large circle of family and friends. Holidays were always special, as she enjoyed decorating her home with care. Known lovingly as "Granny," she always had a sweet treat ready for her grandchildren and great-grandchildren. She also never missed a chance to support them, often attending their sporting events and dance recitals.

Martha and Melvin are proud to call Garden View their community and are grateful to be part of it.

We celebrated Grandparents Day with crafts, question cards, and lots of smiles! Thank you to T'iara Sereal with Consolata for sponsoring this special event and making the day extra meaningful for our residents.

# National Assisted Living Week: Ageless Adventure

For National Assisted Living Week, our residents had a wonderful time "traveling" around the world! They explored Italy, France, China, and the USA through fun activities and special treats. They enjoyed painting the Eiffel Tower and creating their own handheld paper fans. In the USA, they tested their knowledge with landmark trivia and took a virtual tour of the 9/11 Museum and Memorial. A big thank you to Autumn Landry with OJ's Sno for the refreshing snowballs, Lionel Metz with PaPa Butch Catering Food Truck for the delicious meals, Kirsten Broussard with Traditions for the beautiful cake, and John Hendrix with About You In Home Care for the tasty margaritas that made the week extra special! It was a week filled with culture, creativity, and community!
