When bratty 8-year-old Kevin McCallister (Macaulay Culkin) acts out the night before a family trip to Paris, his mother (Catherine O'Hara) makes him sleep in the attic. Resident of the Month

Phyllis Ledet

For more than 30 years, Phyllis Ledet devoted her career to educating and supporting students as a teacher and school counselor in Houston, TX. Her dedication touched the lives of many and left a lasting impact. She is the proud mother of two sons, Dion and Corey Ledet, who now live in Louisiana, and she continues to cherish time spent with them. We extend our heartfelt thanks to Phyllis Ledet for her years of service and her steadfast commitment to helping young people grow and succeed.

Employee of the Month

Valencia Williams

I've been a part of the Garden View family for six months, and my favorite part of this job is caring for residents who can't fully care for themselves. Knowing that I can be there to help, support, and bring a smile to someone's day brings me so much joy. Working here has truly become a blessing.
