Resident of the Month

Simmie Crowson was born in Alexandria, Louisiana, to her wonderful parents, Bertha and Sims Trimble. At just 19 years old, she bravely crossed the Atlantic Ocean to marry her sweetheart, George Crowson, who was serving in the Air Force and stationed in Germany. The couple lived overseas for a year before returning home to settle in New Iberia. Simmie is the proud mother of four beautiful children who adore her, as well as nine grandchildren and nine great-grandchildren. She spent much of her career as a secretary at New Iberia Senior High School, where her husband George served as principal, and later worked as a home/school visitor with Iberia Parish Schools. A true people person, Simmie has always had a gift for making others feel loved and cared for. She has traveled the world with friends and family and, while she may not dance as much as she once did, she still delights in visiting with friends and playing bridge. Simmie is especially grateful for the kind and caring staff at Garden View, who keep her smiling with their humor and thoughtful attention.
