Employee of the Month

Stacy Carrier

I have worked at Garden View for two and a half years. During this time, I have learned how to care for the elderly and enjoy learning about the residents and their individual needs. Garden View has helped me grow both personally and professionally, and I truly enjoy working alongside my coworkers as a team.

UPCOMING ATTRACTIONS: Bucket List
Location: Movie Room
Date: 2/10/2026
Time: 2:00 PM

Billionaire Edward Cole and car mechanic Carter Chambers are complete strangers, until fate lands them in the same hospital room. The men find they have two things in common: a need to come to terms with who they are and what they have done with their lives, and a desire to complete a list of things they want to see and do before they die. Against their doctor's advice, the men leave the hospital and set out on the adventure of a lifetime.

Resident of the Month

Lawrence Francis Verret, 82, is a New Iberia native and a proud member of the Garden View community. Born on August 22, 1943, Lawrence, affectionately known as "Lokey" by friends, grew up with a strong zest for life. He attended New Iberia Senior High School and married his beloved wife, Barbara Robicheaux (1943–2019), in 1963. Together, they raised two children, Larry and Jamie, and Lawrence is now the proud grandfather of three grandchildren and two great-grandchildren.

Lawrence spent the majority of his career working in the oil field, beginning offshore with Cardinal Wireline. He later expanded his professional experience as a salesman for Specialty Machine and Supply. His dedication to and success in the oil industry eventually led him to open Vesco Rental and Supply and to serve as a partner at Service Machine for 20 years.

Well, known for his generosity and charitable spirit, Lawrence has been a strong supporter of St. Edward School. He cherishes memories of deer hunting and fishing and enjoys watching westerns and football on television. His favorite pastime, however, is visiting the casino and playing blackjack.

Lawrence speaks fondly of his experience at Garden View, sharing that the residents, staff, and volunteers are all very kind. He has made many friends and considers Garden View a wonderful place to live. Lawrence is honored to represent his community as the February Resident of the Month.
