My name is Desiree Menard. I joined Garden View Assisted Living as a Resident Attendant on February 3, 2026. I am honored to be part of the Garden View family and to share my passion for caring for and supporting our residents. I strive to be someone they can trust and depend on for assistance each day. It is truly rewarding to build meaningful relationships with our residents and to provide care that helps them feel safe, respected, and valued every day. Resident of the Month

Pat and Trudi Napier recently celebrated their 70th wedding anniversary on June 22nd. A union has grown more remarkable with every passing year.

Pat Napier was born on January 28, 1935, and grew up in Jeanerette, Louisiana, a town he would never stray too far from. He attended Jeanerette High School and got to work early, lending his hands on the family sheet metal business, Napier Sheet Metal, which he would later own. He later worked alongside his father-in-law in the funeral business, serving families in their most vulnerable moments with care and professionalism. Pat has always been the kind of man who shows up.

Trudi Napier, born February 24, 1940, was the heart of the home. As a devoted homemaker, she poured herself into raising five children. As the years passed and those children grew into families of their own, Trudi home became the gathering place for every holiday. Thanksgiving, Christmas, Easter, if there was a reason to celebrate, the Napier table was full, the laughter was loud. Whether she was coordinating a holiday feast for a growing crowd or planning the family's next beach trip, Trudi ran a tight ship, and everyone knew it.

Together they built something beautiful: 13 grandchildren and 17 great-grandchildren who carry forward the legacy of a family founded on love and loyalty.

When Pat isn't cheering on his beloved Los Angeles Dodgers or rooting for the LSU Tigers, you might find him reflecting on a life well lived. Trudi has long enjoyed playing bridge and pokeno, and the couple share fond memories of beach vacations filled with laughter, family, and good friends.

Juneteenth Program

Love

Juneteenth Program

Residents gathered for a meaningful Juneteenth program as they learned about the history and significance of this important day in American history. The presentation encouraged thoughtful discussion, reflection, and a deeper appreciation for freedom, equality, and the resilience of those who came before us. It was a wonderful opportunity for residents to learn, connect, and celebrate together. A special thank you to Danielle Fontenette with the African American Museum in St. Martinville for sharing her knowledge and helping make this educational program so meaningful. We truly appreciate your time, passion, and dedication to preserving and sharing our local history.
