Employee of the Month

My name is Renee Garrison, and I have been a part of the Garden View team for four months. I have been working as a caregiver for five years and have also gained experience working in nursing homes.

Caring for elderly people is something that is very close to my heart. I lost my grandparents at a young age, so I treat each of my residents with the same love, kindness, patience, and respect that I would give to my own grandparents.

When I'm not working, I enjoy playing bingo and spending quality time with my children. I am originally from Patterson and moved here in 2022.

I truly love my residents and feel blessed to have the opportunity to care for them. I enjoy coming to work each day and being a part of the Garden View family!

Upcoming Attractions

Movie: Take the Lead

Location: Movie Room | Date: Tuesday, October 20th
Time: 2:15 PM

When internationally renowned dancer Pierre Dulaine takes a teaching job in a New York City public school, he meets ridicule from the street-wise students, who scoff at the notion of ballroom dancing. Far from being discouraged, he melds their hip-hop moves with his classical style, helping them create a dance form and, in the process, becoming their mentor.

Resident of the Month

Juana's journey has taken her from Arkansas to Dallas, Texas, and eventually to New Iberia, where she has made a wonderful new home at Garden View. Born in Arkansas, Juana spent most of her life in Dallas. She married Tom Lynn, a talented musician and paratrooper who proudly served in the Korean War. Throughout her career, Juana worked in several different industries, including life insurance, where her dedication to helping others earned her numerous awards for outstanding customer service. She also enjoyed a career in hospitality. After retiring, Juana moved to

New Iberia in 2008. Retirement didn't keep her from staying busy, though! For many years, she worked part-time as a hostess at Little River Inn, where she enjoyed meeting and visiting with people. Juana is a proud Dallas Cowboys fan and a true animal lover. Over the years, she has shared her life with horses and many beloved dogs. Today, her furry companions are Chewy and Poncho, both of whom she adopted through an animal rescue. Giving back is also important to Juana. She is a dedicated supporter of veterans' charities and appreciates the opportunity to help those who have served our country. Juana loves being outdoors, spending time with others, and staying involved in the community. She has been a resident of Garden View for nearly six months and has already made many wonderful friends. She especially enjoys participating in Garden View's many activities and events, with live music being one of her favorites. We are delighted to have Juana as part of the Garden View family and look forward to enjoying many more good times, conversations, and musical moments with her!
