Resident of the Month

Mrs. Doris Vice was born on November 17, 1935, and celebrates 91 wonderful years of life this year. She was married to the love of her life Loveless Vice, for 67 years until his passing in 2014 at the age of 85. A lifelong resident of New Iberia, Mrs. Doris and Mr. Vice were proud and successful owners for more than 50 years, operating Vice's Barber Shop and Doris' Beauty Shop. They truly loved their work and cherished the opportunity to visit with their many dear friends and loyal customers throughout the week. In their free time, they enjoyed dancing, visiting Las Vegas, and area casinos, and owning thoroughbred racehorses. Mrs. Doris is also talented and accomplished artist who has created beautiful Southern-inspired artwork using oil and watercolors. Her paintings are treasured by her friends and family and proudly displayed in many of their homes. She is the proud mother of two children, grandmother of six, and great-grandmother of three, all of whom bring her tremendous joy and pride. Today, Mrs. Doris is grateful to call Garden View home, where she receives exceptional care and kindness from a wonderful team of compassionate and professional staff members. She appreciates the comfort, support, and warmth that make Garden View such a special place to live.
